Unveiling on 19 June 2019**

Photographs by Adrian Lawrence unless credited otherwise.

After the heavy rain of the previous week, it was a relief to have a dry morning on Wednesday 19 June 2019 when about fifty members of the Chaddesden Historical Group, local residents and others assembled at the junction of Chaddesden Lane and Maine Drive for the unveiling of the Remembrance Seat.

The poster features logos for Derby Homes, Chaddesden Historical Group, and Derby City Council. At the top center is a red poppy. Below it is a quote: "When you go home Tell them of us and say, For your tomorrow We gave our today".
